Council Cuts Local Hospital Donation

The Altona Shire Council has cut its annual \$200 donation to the Altona District Hospital by \$50.

Just before it voted to recommend Cr. W. L. J. Crofts as the council's nomination for a life-governorship of the hospital, Cr. H. W. Lee pushed through a vote to cut the donation.

At Cr. Lee's instigation the council rehashed list of donations recommended by Cr. K. Jurga, who holds the council's portfolio for organisations and charities.

At the same time the council cut the Altona Hospital donation, pushed the donation to the Footscray Hospital Space Appeal from \$30 to \$150.

Cr. Jurga said he was not happy over the cut to the Altona Hospital.

He said it was not a cut to the committee of the hospital, but to the people of Altona—"The residents who are sick and who need help."

But the amendment was carried in spite of his protests.

Cr. Jurga recommended that the council's \$1000 budget for donations to charity and organisations should be divided up as follows:

\$20, Royal Victorian Institute for the Blind; \$8, RSL; \$100, Tasmanian Fire Relief; \$200 Altona District Hospital; \$200, Chis-Lon Spastic Aid; \$200, Cancer Campaign; \$72, Housing Commission Elderly Citizens' Flats; \$40, Melbourne Legacy; \$20, Melbourne Boys' Brigade; \$20, Mission to Seamen; \$20, Carry-on (Vic.); \$20, Victorian Blind Soldiers; \$50, Royal Melbourne District Nursing Service; \$30, Footscray Hospital Space Appeal.

Cr. J. J. Glinifer said the donation to the Housing Commission was actually a rebate of 50% of the rates for the Elderly Citizens' Flats site.

Cr. Lee said he wanted to move amendments "principally to give the greatest amounts of

assistance to local people and not so much to people outside."

He said the first three donations to the Blind Institute, to the RSL and to the Tasmania Fire Relief fund could not be changed as they had already been paid.

Cr. Lee moved that the \$200 donation to the Altona Hospital be reduced to \$150.

He also moved that the \$30 donation to the Footscray Hospital Space Appeal be increased to \$150.

He then moved that the donations to the Chis-Lon Spastic Centre, the Cancer Campaign, the Housing Commission flats and Melbourne Legacy remain the same.

Cr. Lee then moved the deletion of donations to the Melbourne Boys Brigade, which has a group in Altona, the Mission to Seamen and Carry-on.

He also moved \$5 cuts to the donations to the Victorian Blind Soldiers and the Royal Melbourne District Nursing Service.

He said he wanted to increase the donation to the Footscray Hospital because the Council had refused permission for the hospital to conduct a door-knock in Altona.

Cr. Lee said "I can't see for the life of me how the Boys Brigade and the Mission to Seamen takes precedence over the Footscray Hospital."

"Altona residents make up 30 per cent of the patients at Footscray Hospital and we should be using this money to the greatest benefit for our people."

"It is our ratepayers' money we are spending. Charity begins at home," Cr. Lee said.

Cr. A. J. Fisher said there was a great demand for finance at Footscray Hospital.

"We do have a hospital at Altona but it is limited."

Cr. Fisher said 6 per cent of Footscray Hospital patients come from Altona.

Werribee with about the same proportion gave \$100. The Sunshine Community Chest gave \$850. Cr. Fisher said extensions to the Footscray Hospital will cost \$1,500,000 so that Altona's proposed donation of \$30 was but a drop in the ocean.

The council carried Cr. Lee's amended list of donations.

Anzac Commemoration Service

The Altona Sub-Branch of the Returned Servicemen's League will hold its Annual Commemoration Service next Sunday, April 23, at the Eternal Flame in front of the Civic Centre, in Civic-pde., Altona.

An invitation is extended to all ex-servicemen and women, whether members or not of the RSL, to join the march from the RSL Hall in Sargood-st. and take part in the service.

Guest speaker will be Mr. W. L. Floyd, M.L.A.

The shire president, Cr. S. G. McIntosh, will give the address of welcome and the service will be conducted by Rev. J. Reynolds, Rev. J. Lawley and Captain A. Warhurst.

An invitation is extended to the general public to attend the service.

Marchers are requested to be assembled at the hall by 2 p.m.

Control Tower For Yacht Racing

A control tower for yacht racing may be built out in the bay off Altona.

The council may build the tower in an effort to help solve problems associated with the clash of power boats and yachts on the bay off Altona.

Mr. E. Phillips, Mr. T. Jones and Mr. J. Robertson of the Altona Yacht Club met the council's Parks and Foreshore Committee to protest against the building of a boat ramp on Cresser Reserve.

They stressed the problem confronting yachting interests by the siting of a boat ramp to the north of the yacht club site.

The men said that the yacht club was operating in what they called a "perfect area" that was the envy of every club. They said the club had not been notified of the decision to move the boat ramp back to Cresser Reserve from Apex Park.

They said that power boats and yachts were not activities which could live well together and they should therefore not use the same area for their activities.

The Committee recommended to Council that the Council supply buoys to mark the approach lane to the boat ramp which is now under construction on Cresser Reserve.

This, the Committee said, would keep power boats clear of the amended yachting course.

The Committee further recommended that the Council construct a control tower near the starting point of the proposed new yachting course.

The Shire Engineer, Mr. R. C. Simmons, said cost was a major consideration. The tower, he said, should be taken as far out to sea as possible and it could be fairly expensive.

He said an old barge might be given to the club or bought by the Council.

This could be sunk at the site of the tower and used as a foundation, because the water was quite shallow for quite some distance from the shore.

Mr. Simmons said the cost could be close to \$400, although, if the tower was taken as far out in the bay as possible, it could cost considerably more.

He also said that the erection of such a tower would have to be approved by the Ports and Harbors Branch of the Public Works Department.

The Council has voted to send the project reports to the Finance Committee for consideration in next year's estimates.

Did you see the sheep?

Families are ever anxious to keep the "black sheep of the family" hidden in the background. So the Altona Drama Group had no misgivings about proudly displaying the "white sheep of their family" throughout the shire last weekend.

It was publicising the three-act comedy, "The White Sheep of the Family," being presented by the group tonight (Thursday), Friday and Saturday nights at the Civic Hall at 8 p.m. Tickets are available from Nev's Variety Bar in Railway-st., or at the door.

\$3000 SUBSIDY RECOMMENDATIONS

The Altona Shire Council's Finance Committee is examining the shire engineer's recommendation on a \$3000 subsidy.

The Municipalities Assistance Fund of the Local Government Department has asked the council of its priorities for work to be subsidised from the Fund for the year ending 1968.

The sum of \$3000 is available to any shire on a dollar-for-dollar

basis, with not more than \$2000 available for any one project.

The shire engineer, Mr. R. C. Simmons, has recommended that \$2000 of the subsidy be allocated towards the cost of construction of the main drain at the Altona North Recreation Reserve and perhaps the other \$1000 could be allocated by the appropriate council committee to something such as youth hall extensions.

A.L.P. REJECTS Cr. FISHER

Cr. A. J. Fisher has been refused endorsement by the Australian Labor Party Victorian Central Executive as a candidate for the council elections next August. Cr. K. Jurga, another councillor whose term of office expires this year, did not apply for re-endorsement.

The other retiring councillor, Cr. W. G. Cresser, received endorsement.

Mrs. Mary Evans and Mr. Ron Marinescu were also endorsed.

The ALP Central Executive had before it four applications, Crs. Cresser and Fisher, Mr. Marinescu and Mrs. Evans.

Cr. Cresser as a councillor has had the longest period of service of any present sitting councillor. He has been a member of the Altona council since the shire's inception in 1957.

Mrs. Evans, of Civic-pde., Altona, has already stood twice for council, but so far has been unsuccessful.

Mr. Marinescu, who previously resided in Mason-st., recently changed his address to Freemans-rd., Altona North.

On two previous occasions he has been unsuccessful in obtaining Labor endorsement to stand for the council elections.

Cr. Fisher first received Labor endorsement in 1964 when he was elected to council unopposed.

Cr. Fisher has stated he is very disappointed by the executive decision. However, he will not stand as an independent. He said he is a loyal Labor supporter and basically believes in the policy of the Labor Party. He will abide by party rules.

No reasons for the decision of the Central Executive are given.

It is well known that Cr. Fisher has, for some time, been a supporter of the new Federal Labor leader, Mr. Gough Whitlam.

Also it is understood that Cr. Fisher was one of the many signatories to a letter prepared after the last Federal elections by ex-State president, Mr. Bob Holt, and sent to the Federal Executive criticising the Victorian Central Executive.

Altona Boys Win Pennant

EDITORIAL

WILLIAMSTOWN SEAT

The redistribution of seats affecting Altona has been on a logical basis. That is if we expect the probably brief inclusion of part of Altona in the Gisborne electorate.

The older Williamstown and the southern Altona area now included in the Williamstown seat have much in common.

They both include seaside areas with outstanding natural problems.

They both include large areas of land held by government departments, which to say the least each municipality concerned feels could be put to better use.

They both are at various times adversely affected by the briquette dump.

They are associated in the one rail service which can definitely be improved.

They are co-sharers in certain drainage problems.

The residents in both areas have much the same outlook and pursuits.

The boundaries of the Williamstown seat have changed throughout the years. The current redistribution does much to restore the position of 20 years ago when they also were in the same electorate.

For the Williamstown electorate there are four candidates.

The Labor candidate, Mr. W. L. Floyd, is the retiring member. He is being opposed by Liberal, DLP and Communist Party aspirants.

ONE SENIOR WIN ONLY IN HOCKEY

Altona Hockey Club's A Reserve team were the only senior side to win their match last Saturday.

This is a complete reversal on last week's form, when the A Reserve side were the only team to lose.

A RESERVE

Ability and determination led Altona to a well earned 70-minutes of victory against Croydon.

From the bully, with good hockey and plenty of team spirit, Altona wasted no time in scoring.

Netting three goals in the first half, the Altona forward line ran all over the Croydon defence.

Solid defence and sensible hockey gave Altona another two goals in the second half and Altona went on to defeat Croydon 5-1.

Goals were scored by Macauley 3, Stevens and Bartlett. Best were the whole team.

B NORTH

Altona lost to Powerhouse 5-0. All B Grade players are to attend practice on Tuesdays and Thursdays.

C NORTH

Altona lost to Footscray 2-1. The game opened up with plenty of fire, with Altona in control. But losing opportunities in front of goal allowed Footscray in for two quick goals just before half time.

Just after half time Altona replied with a goal. Then the struggle began, with Altona still in command, but not being able to score the equaliser.

The goal was scored by S. Hyde and best were George Shields and L. Smith.

UNDER 16

Altona were defeated by the Greensborough side in an even game. Both teams had equal opportunities, but Altona could only manage one goal through Duncan.

Brian Smith and Wal Lengzyn on the back line prevent Greensborough from scoring more goals.

With Blunt controlling the half line and moving the ball around the forwards could not make use of the passes.

Best were Lengzyn, Smith and Blunt.

UNDER 14

Under 14 also lost to Greensborough. Altona started into attack, but could not penetrate the Greensborough defence.

With both teams playing well and making it hard for each other to score, the ball saw-sawed from one end to the other.

In the second half the Greensborough team picked up a rebound from the goalie's pads and pushed it in.

For Altona Richardson dominated the centre and the forwards moved the ball and Altona looked set for a score, but they started to talk among each other and let Greensborough in for two quick goals to lose the game 3-0.

Best were Jensen, Richardson and Pratt.

UNDER 12

Altona, being forced forward by a winning half line, ran out easy winners over MCC.

Halves Mallett, Breen and Studley all player strongly and will settle into a good combination with more experience.

Highlight of the game was the skill of John Forrester when he outclassed the opposition defence to score four goals. Other goals were scored by G. Groves and K. Bennet.

Best were J. Forrester and S. Breen.

NEXT JUNIOR GAMES

Under 16 play Dandenong at Royal Park 1 at 9.15 a.m.

Under 14 play Dandenong at Royal Park 1 at 10.15 a.m.

Under 12 play Strathmore at Strathmore at 9.15 a.m.

GENERAL MEETING

A general meeting of the Altona Hockey Club will be held on Wednesday, April 26, at 8 p.m.

KOORINGAL GOLF ASSOCIATES

One hundred and four players, comprising 26 teams from suburban and country, contested the Kooringal Associates Challenge Bowl in perfect weather conditions last Monday. Stableford competition was conducted and Kooringal's No. 1 team came in the winners with a score of 139 points.

The team was: Mrs. G. McDiven 33 points, Mrs. N. Caddy 35, Mrs. D. Wilson 34 and Mrs. F. King 37.

Keysborough was second with 133, Kooringal No. 2 third, 127 and Lonsdale fourth, 118.

It was Kooringal's first success in a Bowl Competition, so it was a popular win and a jubilant team which received individual trophies and congratulations from the president, Mrs. E. Dann and captain Mrs. F. Rodger accepted the Bowl for the club to be held for 12 months.

BOGEY

The Bogey Competition played on April 18 resulted as follows:

A GRADE: Mrs. I. Fordham (19), 3 up.

B GRADE: Mrs. M. Murphy (28), 7 up.

BULLDOG SKIN-DIVING CLUB

After the successful camp at Sealers Cove, Wilsons Promontory, the Bulldog Skindiving Club recently held a social day, but the conditions were poor for diving. They dived unsuccessfully at Point Lonsdale, but finished the day scallop diving at Portarlington.

Last Sunday several members dived at Diamond Bay, where a few luderick were speared and equipment lost in the heavy swell. Another member reported spearing plenty of crabs and fish at Aireys Inlet, along with good visibility.

Last Saturday club member Terry Wilson was married and the club sends best wishes and congratulations to him and his bride.

An aggregate will be held next Sunday and any person wishing to join the club should contact George Gardiner, 40 Dudley-st., Footscray (phone 68-3949).

Altona Now Soccer Leaders

After their brilliant win at Richmond last Saturday, the Altona soccer team is now one point clear in Division 2.

Judging by the way they won, it is their intention to keep their unbeaten record intact.

Responsible for Saturday's win were half backs Abbott and Balish. With their perpetual motion these two controlled the middle and with Copley at inside left, the Tigers wondered what had hit them as Altona rattled in five goals.

Kicking down the slope, Altona pounded the Richmond goal and unlike previous weeks, they scored an early goal.

Copley picked a gap in the defence, raced in and banged in number one.

This was the tonic that had been needed, and the whole side clicked into high powered soccer.

Coles crossed a lovely ball, but Perry missed from close in.

Milloy, Rice and Grecco made the Richmond attack look sick. Richmond were given no chance to score. The Maroons went further ahead as Balish passed to Stevens, who slipped the ball through to Herman and hey presto! number two.

Half time came and Altona were well and truly in command.

Now it was Altona's turn to play uphill. Could they keep up the pace?

The answers came in the form of goal number three. The ball flower from man to man; out to Kovacs on the right, he cut in and a low grounder gave the keeper no chance.

Mindful of goal average, Altona kept plugging away.

Steven scored a great goal, but the referee ruled it off. However, soon after number four was on the board. Coles opened up to Herman and Steve slammed in a great goal.

Richmond were coming more into the game and looked very dangerous.

Robert in goals for Altona got the chance to show his ability with two brilliant saves, he knocked the heart out of the Richmond forward line.

Immediately the Maroons came away—Grecco moved upfield, out to Kovacs, who crossed the ball to Coles. Coles tried for a shot which cannoned off a defender into the net for goal number five.

This was a good win and now Prahran must be worried about coming to Kim Reserve this Saturday.

RESERVES

Altona Reserves defeated Richmond 4-1. This keep the locals in top place with an unbroken record.

In this match Ziggy Jablonski and Glen McFarlane combined well. The young players are all improving rapidly and a rosy future is assured for a few of them.

UNDER 12
Altona defeated Sunshine City A 3-1. This was Sunshine's first defeat for three years. It put the third Altona team on top of the ladder. Goal scorers were Gramsbergen, Little and own goal. Best were Gramsbergen, Little and G. Beben.

UNDER 14

Altona defeated St. Albans 9-1. Goals were scored by Micevski 4, J. Collins 3, Van Rangle, roy and P. Morris. Best were Micevski, Douglas and J. Collins.

UNDER 16

Newport defeated Altona 7-0. Best for Altona were McNeill, Mc Lelland and Kriheen.

UNDER 10

This new addition to the club started with a win, defeating St. Albans 3-0. Goals were scored by Vandepole 2 and Blanchard. Best were N. Totney, Vanderpole and Vanrangleroy.

THE NEW WILLIAMSTOWN ELECTORATE FOR THE LEGISLATIVE ASSEMBLY

From the beginning of responsible government in Victoria, there has always been a Williamstown Electorate, though, naturally, it—like all other electorates—undergoes periodic boundary changes in make-up due to redistribution.

For years the electorate contained all the City of Williamstown, parts of Yarraville and Footscray, and also Altona. However, after the Second World War, it was found the quota of voters could be made up without Altona and this area went into the Grant State Electorate.

In 1958 the electorate underwent its greatest change and with the elimination of the Port Melbourne Electorate, this and a small part of South Melbourne was attached to Williamstown and a goodly part of Newport went into the new electorate of Yarraville.

Now in 1967, there are more changes, and the electorate reverts back to more what it was like for years. The accompanying map gives a good idea of the composition of the four sub-divisions: Williamstown, Newport East, Newport and Altona. It should be noted that municipal boundaries are disregarded when making up sub-divisions. Thus part of the City of Footscray and part of the City of Williamstown are in the Altona sub-division. The centre of the road is usually taken as the dividing line between sub-divisions. This, in the main, applies also to the perimeter of the electorate.

At the time of redistribution, Williamstown had only about 20,000 voters, but this was brought up to the quota for a city electorate of 25,000. As evidence of the growth of Altona, the number on the roll (without the supplementaries) is now 26,607, made up of Altona 11,788, Williamstown 7,837, Newport 4,381, and Newport East 2,601.

The Returning Officer for Williamstown was previously stationed at South Melbourne but a special office has been opened at the Dispensary Building, 35 Davies Street, Newport, where all postal vote applications should be addressed.

WESTERN SUBURBAN FOOTBALL LEAGUE FOOTBALL COMMENCES THIS WEEKEND

The Western Suburban Football League kicks off on Saturday and Sunday next and pre-season hopes have been diminished by the demands of senior clubs on players of most clubs of the League.

Whilst hoping that each player makes the grade, clubs are anticipating the return of some to bolster their weakened teams.

Laverton Under 18, hardest hit with five training at Yarraville and eight now over age, are in dire straits and would welcome any Under 18 players with open arms.

Maidstone failed in their efforts to promote an Under 16 team and this has caused a bye in that grade.

New open age team RAAF from the Laverton Base, are confident that they will win more games than they will lose, will face a stiff test against Laverton in their first match. The latter always begins each season well and with most of last year's players available, will not be a pushover.

First round matches next weekend are as follows—(Likely winners are in bold type.)

SATURDAY

UNDER 16 (10 a.m.)
West Newport v. Altona.
Werribee v. Devon Park.
Newport have the bye.
OPEN AGE (2.30 p.m.)
Newport v. Central Altona.
RAAF v. Laverton.
Maidstone v. South Kingsville.
West Newport have the bye.

SUNDAY

UNDER 18 (2.30 p.m.)
Altona v. Werribee.
Central Altona v. South Kings.
Laverton v. West Newport.
Newport have the bye.

TRIBUNAL PROCEDURE REVISED

From now on only the reported player, his advocate and the umpire will be required to attend the tribunal. Players offended against are not bound to appear, but may do so if required as a witness by the reported player or the umpire.

Furthermore, if a reported player is found guilty his club will be debited with the expense incurred by the umpire in attending the tribunal.

Letter to the Editor

Dear Sir,

When bushfires rage, enveloping sheep and cattle, they suffer burnt feet, melted hoofs, scorched and smoke-blinded eyes, flesh burnt from them.

As soon as the hot ground could be traversed, it has been the practice to put them out of their misery and agony by shooting them.

Now the Premier speaks of impending diabolical legislation that would mean goading them into trucks to take them to the nearest abattoirs, perhaps hundreds of miles away—the additional tortures would kill many.

In normal times truck loads of animals often meet with delays before slaughtering. What could happen to a sudden influx of hundreds or thousands? Why should further sufferings be inflicted on the innocent victims of man's carelessness for doubtful gain?

Sir Henry Bolte is clever at paronomasia—a play upon words—or he would not have to resort to foolish explanations that cannot be verified.

For countless decades sacrificial battles have been fought to have anti-cruelty laws enacted and Sir Henry Bolte would have no compunction in undoing them with a stroke of the pen.

Honest, trusting people give power to governments to plan for a country's advancement, for its permanent good, not for its degradation and degeneration in mind and spirit.

It takes a lot to arouse the public conscience, but when denunciations are heard from all quarters, irrespective of varying political opinions, what further indictment is needed?

I am, Sir, yours faithfully,
D. WAIGHT, Hon. Secretary, Animal Relief Society, Williamstown and District Branch.

NEWPORT BASEBALLERS CLUB TO CONSIDER CONSTITUTION

Last December, a special meeting was called to elect a committee to prepare a constitution for the proposed Newport Baseballers Club.

This club is to control all activities on the recently acquired Park Crescent Reserve, which will include baseball, cricket, trugo, tennis, lawn bowls, softball, etc.

Now, the committee elected at this meeting to draft a constitution for the club has finished this job and advises that it is ready to be presented.

So, therefore, a special meeting of all persons interested is called to consider this constitution, which will be presented in the Newport Baseball Clubrooms next Sunday, April 23, at 11 a.m.

All members of the Newport Baseball Club, Newport Summer Baseball Club, Newport Baseballers' Cricket Club and any other persons interested are urged to attend this very important meeting next Sunday.

SEASON STARTS THIS SATURDAY

After a very successful day at Sunshine last Sunday, Newport Baseball Club will commence their winter season next Saturday, April 22.

The A Team will meet Melbourne University away at University Oval at 12.30 p.m.

The B Team will meet University at Newport Sports Oval at 12.30 p.m.

The C Team will also play University. They will meet MU at No. 8 Oval, Princes Park.

Captains were elected last week for all teams. They are—
A TEAM: Harry Douglas captain and Reg Simpson vice-captain;
B TEAM: Don Cornish, captain; and
C TEAM: Graeme Murdoch, captain.

Jack Bunting was elected as manager of the B Team and Jim Smith manager of the C Team.

To start the season off a players' night will be held on Thursday, April 20 (tonight), at 8 p.m.

FIRST SUNDAY GAME

The first Sunday game for the season will be on April 30. This match will be against Glenhenty at Newport at 2 p.m.

COMMITTEE MEETING

All members of the committee are asked to attend a special meeting which will be held in the clubrooms at 7 p.m. on Thursday, April 20 (tonight).

OLD PLAYERS MEET

The Old Players Association held their annual meeting on Friday, April 14, and this was very well attended.

Mr. Clyde James was elected as president for his third term. Other office-bearers are:—

VICE PRESIDENT: Mrs. Alice James; SECRETARY: Mr. Alf Herring, 120 Power-st., North Williamstown; TREASURER: Mr. Jack Richardson; LADIES COMMITTEE: Mesdames Dugan, Richardson, Ryan, Bunting, McKay, Cornish and Sturrock. Social evenings will be held in the Newport Baseball Clubrooms on the first Friday of each month at 8 p.m.

POSTAL ORDERS POPULAR

The Altona Postmaster, Mr. D. Blood, reports that the Postal Order service, which was introduced on June 1, 1966, is proving popular as a means of transmitting money through the post. Postal Orders may be purchased or cashed at any post office in values ranging from 10c to \$4. A counterfoil which is attached to the postal order enables a convenient record to be made of each purchase.

Arrangements can be made for the payment of cashed orders to be confirmed and duplicates to be issued for any unpaid orders lost or destroyed. Crossed postal orders are payable only through a bank.

Mr. Blood has brought to notice that postal orders are a useful gift item for Mothers' Day, birthdays and other special occasions.

DARTS RESULTS

The Western Suburbs Darts Association wishes to apologise for no report last week—the reason for this was the lack of interest shown by the majority of clubs not phoning the scores through to the public relations officer on Thursday night.

So clubs, if you wish to see this column continued ring through those scores as soon as the match is concluded to Bob Rose (68-0214) up till 11 p.m. (no later).

For a fuller report on players' individual efforts post those score sheets immediately after the match (on your way home) to Box 10, PO Altona, W.18, so that the PRO can extract all salient information for this column.

Your local newspaper has been good enough to make space available, then let us make good use of it. So, clubs, from now on, it is up to you.

TOP TEAMS STRUGGLE

This week Bristol Hotel, Goodrich, Altona Working Men's Club struggled to keep their places in the four.

In DIVISION 1 Bristol away to Pioneer managed a 7-6 win, as did Goodrich against Central 1 (this could have been a claimed game as Central had only four players present at 8.10 p.m.). However, Central finished with seven players and Goodrich was very lucky to win.

Altona Working Men's Club, away to Ashley Scratchers, were certainly scratched by the Scratchers—Tommy Atkins (AWMC) considered as a good player (was in the 1965 State team), took 72 darts to win his game.

Ashley Patrons trounced Werribee 11-2.

Central 2 gave another walkover, this time to Deer Park. This makes the third walkover this season, and as was stated before the association will have to decide how many walkovers a club can give in a season.

Seaholme, away to ICI, played their way to a nice victory of 11-2, which keeps them on top of Division 1's ladder on percentage.

ICI last week re-signed two well-known players in Jack Bingham and Sammy Hughes. These two players in 1964 were well to the fore. Jack represented the association in the State teams championships in 1964.

Ashley No. 1, playing at home, easily disposed of Sunshine RSL 9-4.

Sunshine RSL appear to have slipped since the summer competition when they made the final four. There are some good players in the club and a better performance is expected, so come, RSL, show us your form.

Newport were home to Commercial Hotel and slowly, but surely are building up in strength with some good players. Their recent acquisition is Alby Thorogood from Bristol Hotel (wonder if any transfer "fee" was paid?).

S. Dennis, Newport's captain, is well steeped in darts—he is from the Australasian champion State, Western Australia, so he should be able to guide his team to more victories when it settles down.

Exchange, playing away to Sunshine Golf Club, won by the odd game, but is not showing its known form this season. They lost a good player in Tom Dixon.

Sunshine Golf Club is a new team with, so far, two known players—Herb Rule (member of this year's State team) and "Curley" Taylor, ex-Plough Hotel—home ground of the Golf Club and the atmosphere is very good and visiting clubs are assured of a pleasant evening. A request has been made that visiting players are asked to be presentably dressed—not all "dressed up to kill," but not in working clothes (like overalls as one player was). This is a licensed club and therefore have strict house rules as to attire whilst in the club.

ASSOCIATION SQUAD

With the State Championships coming up next Queen's Birthday weekend, the association has to name its team by Saturday, May 6. The match committee met last Monday and the selected players will be announced next week. Approximately 20 players will be picked to form the association's squad.

The squad will play off among themselves to decide the 10 players for the association's team.

It is understood this squad will be permanent and if a member is not keeping up the required standard of play, he will be dropped from the squad and another up and coming player or players will be brought in.

By using this method the association will be assured of having a representative team available at all times.

VDA CUP

On Tuesday, May 23, the association will meet its old rivals Mountain Dart League, in the first round of the Victorian Darts Association Cup, and it is felt that this match will be a "dress rehearsal" for the State teams championships as far as the team is concerned and will give the match committee a chance to see the team playing under the strain of a big competition.

STATE CHAMPIONSHIPS

The Victorian Darts Association's State Championships this year will be conducted at the Altona Working Men's Club during Queen's Birthday weekend, June 10-12, as follows—

SATURDAY: Singles Championships, 10 a.m. to 6 p.m.;

SUNDAY: Teams Championships, 10 a.m. to 10 p.m.; Ladies' Singles Championship: 1 p.m. to 6 p.m.;

MONDAY: Doubles Championship, 10 a.m. to 6 p.m.

These championships and next year's will be a "dress rehearsal" for the Sixth Australasian Championships, when Victoria will be the host State for all the other States and New Zealand.

With this in mind it is hoped that as many members as possible—who are not competing during Queen's Birthday weekend—will volunteer for the many jobs required to conduct a competition of this magnitude. Any member willing to assist as a caller, scorer, line umpire, recorder, board marshal, sell programs, etc., are requested to contact Bob Rose, either by letter to Box 10, PO Altona, W.18, or phone him at 65-8221 between 8 a.m. and 4.30 p.m., or at 68-0214 after 5.30 p.m. any evening.

Clubs are requested to approach the licensee of the hotel where they play for a donation of a trophy and table space in the program book. The total donation is only \$10-\$5 for the trophy, which includes engraving and \$5 for the space in the book. Each club will be receiving a letter, detailing the above next week and clubs are requested to act immediately as all these things have to be finalised by Saturday, May 6, which will give the association plenty of time to have all the trophies engraved and the books in the hands of the printers.

Seaholme Kindergarten Report

Classes are in for parents as well as young children at the Seaholme Kindergarten in Parkside-cres.

Miss L. Hocking, the director, says the adults are being shown posters on various problems and subjects in the lives of young children to help them understand the youngsters better.

She said the parents have been invited to observe their child during the session as often as they wish. Many parents have taken this opportunity and have commented that it has helped them see what the actual program is and how it helps the child.

The parents have recommended milk and fruit duty. The parents prepare the fruit and milk and supervise the children where necessary and wash the mugs and fruit dishes afterwards.

They are also asked to wipe down the kitchen benches and sink and to mop over the floor in the kitchen. If the parent wishes to, she can participate in an activity—e.g., reading stories to the children in library corner. This is enjoyed by both parent and children.

The parents notice board is a scene of frequent change. We are having a series of information posters for the parents. These give concise helpful information on such things as Jealously, Children's Fears, The Importance of Make Believe, Pets and other topical topics.

We are still having enquiries from parents out of our zone about placements, but many are having transport difficulties. When I took over the Centre at the beginning of the year, we had an enrolment of 45 children. Of this number, one child had started school and 8 children had either left the district or started at another Kindergarten. Since the beginning of the year, we have had two families leave the district and one child who has not been able to continue her attendance because of transport difficulties. These losses brought our numbers down considerably but enrolments from out of zone areas have brought our numbers up to there present level.

INTERESTS

This term has so far been a time of experimenting with the various mediums provided e.g. clay, finger paint, painting, collage, water and other various activities.

As the children have settled in and become more familiar with the Kindergarten, they have set about the task of learning the daily routine—having a free choice of play area, washing hands before milk and fruit, and attending group (story, music and discussion).

Their main outside interest at the moment, is Animals.

This led to the planning of a Zoo excursion for both groups on Thursday, April 6. Prior to the excursion, we will have discussion groups on Zoo Animals and going on excursions.

MEETINGS

In the early part of this year, there have been many varied meetings to attend. I have attended Health Department meetings, Altona Teachers Meetings—where we are discussing various aspects of the kindergarten and its activities and we are also doing child studies. We are each studying five children and will be discussing various aspects of their behaviour. These meetings allow for the discussion of new ideas for our groups and also give teachers the opportunity to discuss their problems or worries. Our Parent Group has been very active this year. Their monthly meetings have been well attended and the parents are very interested in the work of the kindergarten.

Miss Stein will be showing them slides of various kindergartens and will be discussing the program and its aims.

MOTHERS' CLUB DONATIONS

The mothers have been very busy already this year. They have had some fund-raising activities and have also been most helpful to the kindergarten. The Mothers' Club has donated a fan (which was very useful during the hot weather); clothes for "dress-ups"; \$40 worth of books and puzzles (I was given the money to spend on any equipment I felt was necessary), and have been very helpful with their continual supply of boxes, etc., for our waste material (collage). I would like to thank them for their co-operation and for the interest they are taking in the groups.

REQUESTS

I was given a reminder from the Health Department that there was a fence to be erected around the porch of the kindergarten. This was apparently a request made last year when I was not the director. If possible, I would like a larger notice board to replace one of the existing small parent notice board. I make this request as we are using the boards quite a lot this year and it is difficult to fit posters on such small boards. I would be most grateful if a larger one could be installed.

Go Vampire, you know grandpa loved 'em and he knew what was good.

ENTERTAINMENT-DANCES

SATURDAY NIGHT: Laverton Dance (Memorial Hall, Laverton).

SUNDAY NIGHT: Bus Stop 1 (Werribee Centenary Hall).

DRIVE-IN

Showing at the Village Drive-in, Brooklyn, for one week from Thursday, April 20, will be—**"A SPY IN LACE PANTIES"**

Starring Doris Day.

— PLUS —

"LOVE CAGE"

by RON COLEMAN.

Has anybody got a spare dance hall in their backyard? It seems impossible to obtain a hall for a teenage dance in Altona on a Saturday night unless bookings are made months ahead.

The Civic Hall and Youth Hall are both booked continuously, the Life Saver's Hall is not available for public functions any more and neither is St. Mary's nor the Methodist Hall. And the RSL are reluctant to hire out their hall.

The Marion Hall in Seaholme was burnt down some time ago and the Presbyterian Hall is just a little too small.

Consequently Altona's young folk have to trek across open country and wade swamps in order to attend the Saturday night dance at Laverton which (held in a hall larger than any in Altona) caters for a smaller crowd.

Nevertheless, young folk are keen enough to make the trip and many hitch-hike to Laverton.

Then on Sunday night hordes of sharpies and mods clamber on to the Werribee dance bus which overflows with sardines from Laverton and Altona.

There are so many Saturday night dances in Melbourne now that a local turn would attract few outsiders, the only problem is accommodation.

GOSSIP

Nancy Sinatra has recorded another duo with Lee Hazelwood, the songwriter and singer who sang the male part in "Summer Wine."

Hazelwood was Duane Eddie's manager at one time.

A new release by Herb Alpert is "Casino Royale," the film title song of the latest James Bond effort.

Funny how Bond film themes attract the stars.

There was "Goldfinger," sung in fine style by Shirley Bassey, and the incredible voice of Tom Jones with "Thunderball."

Both Matt Monroe and Jimmie Rodgers recorded "From Russia With Love," so watch out for "Casino Royale."

Contrary to last week's article the Ryan twins will not be splitting up as Barry does not intend to marry for another two years.

How's the BIG O? He's just signed a 20-year film contract with MGM and will make two films a year (some of them in Britain).

Yes, Roy is certainly very popular in the UK now and to many he's the greatest sensation since Buddy Holly. When he's not filming he'll be doing concerts in Britain.

Word has it that Ian Meldrum has won a leading part in a comedy to be produced in Melbourne soon.

Apparently quite a few overseas artists are being imported for the production and so for Ian this could be a lucky break.

Ian is not a pop singer or a professional dancer, he is a theatrical entertainer and if you have watched him on TV you'll realise this.

The promoters of BUS STOP at Werribee intend to start two more dances in the near future. One will run at Northcote where guests on the opening night will be The Loved Ones and the other one will operate opposite the Essendon Town Hall.

Meanwhile, the man who opened "The Catcher" in Flinders Lane is starting a new disco, "The Biting Eye" (gotta admit he's not scared to take a gamble).

JUDO

For those of you who like to keep fit and have an interest in the art of self defence, judo lessons are available every Tuesday night, 8 p.m. at the Altona Youth Hall.

Expert instruction is given by Mr. Bill van der Breeder, who holds a black belt and it is worth a while just to go along and see him in action.

After watching Bill throw his pupils all over the Youth Hall you will be convinced that you don't have to be big to take on judo.

Last Tuesday night it was interesting to note that amongst Bill's pupils there were some girls (need I say any more than "See you down there, fellers?").

MORE ABOUT JOHNNY

About a fortnight ago I received a letter signed by 11 females who were full of praise for a virtually unknown singer by the name of Johnny Angel.

They claim that they saw him sing a few numbers at the Laverton dance and would like to see more of him in future.

They asked for an article on Johnny in the "Star" (well, here it is) and wondered if he had a fan club (no girls, not as yet).

John reports that he is lying low at the moment until he has learnt a few more numbers and completed his singing lessons.

So you may have to wait a while before he makes his meteoric rise to fame, girls.

I guess Normie Rowe will have to hurry back from Britain before he loses his crown.

COMPETITION RESULTS

Vic Morrow must have a large following judging by the mailbags of correct entries received here in response to last week's competition.

Unfortunately only the first few letters opened qualify the senders for a prize.

WENNER of Nev's free record this week was Sue McBean.

Runners-up who will all receive theatre tickets are Anthony Mikula, Frances Callender, Rily Dellemyn, Hans Dellemyn, Irene Thompson and Peter Fortune.

THIS WEEK

Name the group who intended to appear on the Big Show with Eric Burdon and the Animals, but (owing to their drummer taking sick) were replaced by Dave Dee, Dozy, Beaky, Mick and Tich.

First correct entry will win the sender a free record from Nev's and runners-up will also receive prizes.

Address all entries to SSS Competition, C/- "Altona Star," 101 Pier-st., Altona.

"GROOP" AT WERRIBEE

Wearing their gaily coloured silk shirts The Groop attracted a huge crowd at the Bus Stop Dance in Werribee last Sunday night.

In fact the bus running from Altona via Laverton was so packed that the dance promoters are contemplating the purchase of a bus line.

The Groop played three brackets comprising various numbers including their current hit, "Sorry."

Backing up The Groop was Bus Stop's new resident group, The Igwana (Australia's Beach Boys).

Dancing among the crowd on Sunday night, "Kommotion's" Ian Meldrum seemed to be having a ball.

Guests at Werribee this week will be the Ram Jam Big Band.

Altona Boy Wins Slot Car Trophy

After reading one of our recent articles on the "Flemington 500" slot car race, Altona's Gary Burnett decided to enter a fortnight ago, and after about four hours of gruelling wheeling and cornering, he managed to bring the trophy home to Altona.

Gary got through the elimination trials easy enough, but then came the test, would he last for over 1400 laps of the Flemington slot car track?

Well, he did, but he said the second placegetter was pretty good too, for he only beat him by 10 laps which isn't much considering the distance.

Meanwhile, Nev is still receiving applications for membership in the Altona Car Slot Club and it shouldn't be long before he stages championships in Altona.

Gary is our STAR this week and you can see his trophy on show at Altona Mini Raceway.

DISC DIARY

Peter and Gordon are still making money; their follow up to "Lady Godiva" and "Knight in Rusty Armour" is called "Sunday for Tea" and it's another original recording.

Could be third time lucky for Sam the Sham who sings "Oh That's Good, No That's Bad." His backing group is The Pharaohs and you can buy this one on the MGM label.

Two of my old favourites, Dusty Springfield and Lesley Gore have new releases on the Phillips label. For Dusty it's "I'll Try Anything." And Lesley sings "California Nights."

No doubt many were waiting for Frank and Nancy Sinatra to sing together on record and nobody should be disappointed with the result "Something Stupid."

"Who'll be the One" is the song title of The Easybeat's latest number which is predicted to become a sell-out when released. (So you'd better place those orders at Nev's early, eh?)

For all of you Rolling Stones fans yet another LP has been released by Decca. This one's called "Between the Buttons" and possesses a faster beat than the Stones' previous tracks.

Sonny and Cher sing quite a few of their hits on a new LP called "In Case You're in Love" produced by Atlantic.

KINDER. HAS WAITING LIST

Twenty-eight children who will attend school next year are on the waiting list to attend the Altona West Kindergarten in Somers-pde.

The kindergarten director, Mrs. B. Tayles, says this in her quarterly report to the Altona Shire Council.

She said classes were quickly filled at the beginning of the year and the children all settled in well. Average attendance during the first quarter has been 23/25 in the morning group and 22/25 for the afternoon group. Absences have been caused by colds, one case of ear-ache and two hernia operations.

DOCTOR'S VISIT

Forty-nine children were examined by a Health Department doctor at the end of February. Dr. Cowling found that eight children were more than 2lb. underweight. Their parents received dietary advice. Doctor was concerned to find that many of the children need dental treatment and some have not completed courses of injections. Prominent notices at the kindergarten advertise the free dental clinic and facilities for immunisation. During this year, I shall keep a check on all of the children and encourage the mothers to use the excellent free services provided by the council.

MOTHERS' CLUB ANNUAL MEETING

This was held on the night of Wednesday, March 22. We were pleased to welcome Cr. G. den Dulk as our official guest. **MOTHERS' CLUB DONATIONS**
 So far, the Mothers' Club has provided money for a trolley for outdoor blocks, curtains for the storeroom shelves and some new wooden puzzles. Council money has paid for some modelling clay and material for painting smocks and water-play smocks. We are very pleased to have these as our old ones were quite worn out. Some of our mothers were good enough to make the smocks for us.

WANTING FOR ALTONA CAR SALES

TAN McINTOSH SAYS . . .

Today I'd like to talk
at Bank Managers, es-
pecially our Bank Man-

Bank Managers are usu-
ally very pleasant, friendly
people, who have taken
many years to attain their
position. During
the years they gather
experience in every facet
of Banking and Finance,
they are only too will-
ing to make their know-
ledge available to anyone
in need of assistance.

People are all too often
unaware of the loan facili-
ties available to them
through their bank, or its
subsidiary finance com-
pany, and this ignorance
often leads them into the
clutches of unscrupulous
sharks and money
lenders.

You don't have to be a
businessman to deal with
a Bank Manager. He is
interested in dealing with
anybody, honest, everyday
people, and will show you
how to save many hard-
earned Dollars when you
are ready to purchase the
vehicle of your choice.
I want you to remem-
ber this, because those
hard-earned Dollars are going
to a lot of petrol in the
K.

We've purposely told
you the better side of the
story first. Unfortunately
Bank Managers have
another side, which they
are inclined to show when
your account is over-
drawn. We have this
problem right now, and
the only way to overcome
it is to sell some cars
quickly, and, of course,
the surest way to sell them
quickly is to reduce the
prices.

This is exactly what we
have done this week, really
massive reductions, not
just a few Dollars per
unit. So if you are think-
ing of buying a car, now
is the time, right now, at
Altona Car Sales.

We're not joking, our
Bank Manager is working
hard to sell at low, low
prices, and at the same
time offering the best
finance deal in Mel-
bourne. Whatever you
do, don't miss out on this
offer.

Yours sincerely,
STAN McINTOSH.

FINAL PRACTICE WORKOUT FOR
ALTONA FOOTBALLERS

The last practice match before the season opens next Saturday was held at Grant Reserve between teams chosen from Altona Football Club players.

Players continued to show the form responsible for defeating Castlemaine and Deer Park in previous practice games.

Big John Petersen was again a dominant player in the ruck and is in for a great year. Phil McLean relished his job of roving and turned in an excellent game of positive and robust play. This boy is a true example of results to be obtained from dedicated and enthusiastic mid-week training. His attitude leaves little to be desired.

Barry Hogan and Bob Combes had a very interesting wing duel and though opposed, both played well. Mal Tisdale was impressive in the centre and this fellow is a big gun in the Altona side.

Barry Locke showed glimpses of getting back to top form and training should bring Barry right to his top. Austin Molloy was a busy rover. Austin has no trouble getting the ball and must capitalise on this by using quicker disposal.

Bill Devereaux, although still overweight, played well and looks set for another good year.

Other players to show form were Ron Pritchard, George Sheriff, Nev Drew and Peter Haslem.

Joey McFadyen showed dash and a lot of courage and Bob Salisbury proved he was game and determined. Bob is improving all the time and is dedicated to football.

The big improver this season is Kev Murphy. Kevin is now holding his marks overhead and his all-round play has improved tremendously.

Generally, the game was most interesting and Altona can be certain of fielding strong teams in both A and Reserve Grades this season.

BOTH SENIOR TEAMS AWAY
FOR FIRST GAME

Altona A Grade journey to EAST HAWTHORN this Saturday for the opening round. Last year's premiers are talented and tough, so is Altona. This will be a game worth travelling a long way to see.

The Reserves are away to BRUNSWICK DISTRICTS. If the form shown to date is an indication, Altona should jump off with a first up win.

PRE-SEASON DINNER
TONIGHT

All players training with the A Grade and Reserves will be given the usual pre-season season spread this Thursday—the selectors will probably be up most of the night).

1st Altona Scouts
Bottle Drive

The 1st Altona Scouts will hold a Bottle Drive on Saturday, April 22. Money raised will go to the Scout Jamboree at Christmas.

Bottles will be collected right throughout Saturday. They can also be left at the Scout Hall in Civic-pde., Altona.

LOCAL SWIMMERS
HAVE SUCCESS

Two young Altona swimmers, Philip Tyrell and Clyde Davenport, have had a number of successes this season.

Both are members of amateur swimming clubs and both have won main awards in club championships.

They also finished among the leaders in State championships. Philip has successfully competed for his school, Altona High, but as yet swimming is not part of the sports program at St. Paul's College, so Clyde does not compete in school championships.

Two silver medals were won by Philip Tyrell at the All-High School Swimming Sports last week.

Competing against top swimmers, he gained second in both the 50-metres backstroke and 50-metres freestyle.

In the Victorian State Junior Swimming titles he finished in fourth place in the Under 14 events for backstroke, individual medley and freestyle.

Philip, who lives in Bayview-st., Altona, is a member of the Werribee Amateur Swimming and Life Saving Club.

In recent club championships he won the Under 14 freestyle, backstroke and breaststroke, he was second in the Under 14 butterfly and won the open individual medley.

Philip was presented with the Champion of Champions trophy given by the Werribee Lions Club for outstanding sportsmanship.

Twelve-year-old Clyde Davenport of Millers-rd., Altona North, is a member of the Footscray Amateur Swimming Club.

Last Friday at the club's presentation night he was awarded the Western Suburban Taxis' perpetual trophy and replica for outstanding junior backstroke swimming.

He was also presented with the Victorian Amateur Swimming Association's gold medallion—the highest efficiency award given in amateur swimming.

Clyde received five gold and four silver medallions for Under 12, 14 and 16 club championships.

During the season he won two Bronze Victorian State Championship medallions for the 100-metres backstroke and 200-metres medley.

At the All-Junior State Championships he won two bronze medallions for the 100-metre backstroke and 100-metre butterfly.

Competing at the Scouts district swimming carnival he broke the Under 13 freestyle record with a time of 32.1 secs.

Clyde also won the Williams-town Life Saving Club's Under 12 boys' championship.
